Declaration of intention.

Considérant que les signataires de l'Acte général de la Conférence de Bruxelles de 1889–90 se sont déclarés également animés de la ferme intention de mettre fin au trafic des esclaves en Afrique;

Considérant que les signataires de la Convention de Saint-Germain-en-Laye de 1919, ayant pour objet la revision de l'Acte général de Berlin de 1885, et de l'Acte général de la Déclaration de Bruxelles de 1890, ont affirmé leur intention de réaliser la suppression complète de l'esclavage, sous toutes ses formes, et de la traite des esclaves par terre et par mer;

Prenant en considération le rapport de la Commission temporaire de l'esclavage, nommée par le Conseil de la Société des Nations le 12 juin 1924;

Désireux de compléter et de développer l'œuvre réalisée grâce à l'Acte de Bruxelles et de trouver le moyen de donner effet pratique, dans le monde entier, aux intentions exprimées, en ce qui concerne la traite des esclaves et l'esclavage, par les signataires de la Convention de Saint-Germain-en-Laye, et reconnaissant qu'il est nécessaire de conclure à cet effet des arrangements plus détaillés que ceux qui figurent dans cette convention;

Declaration of intention.

Whereas the signatories of the General Act of the Brussels Conference of 1889–90 declared that they were equally animated by the firm intention of putting an end to the traffic in African slaves;

Whereas the signatories of the Convention of Saint-Germain-en-Laye of 1919 to revise the General Act of Berlin of 1885 and the General Act and Declaration of Brussels of 1890 affirmed their intention of securing the complete suppression of slavery in all its forms and of the slave trade by land and sea;

Taking into consideration the report of the Temporary Slavery Commission appointed by the Council of the League of Nations on June 12th, 1924;

Desiring to complete and extend the work accomplished under the Brussels Act and to find a means of giving practical effect throughout the world to such intentions as were expressed in regard to slave trade and slavery by the signatories of the Convention of Saint-Germain-en-Laye, and recognising that it is necessary to conclude to that end more detailed arrangements than are contained in that Convention;

Pakker hvis avsendere eller adressater er betegnet med initialer mottas ikke til befordring medmindre initialene er avsendernes eller adressatenes registrerte forretningsnavn.

Addresses in ordinary pencil are not allowed, but copying ink or indelible pencil on a surface previously dampened may be used.

Arbitration treaty between the United States and Czechoslovakia. Signed at Washington, August 16, 1928; ratification advised by the Senate, December 18, 1928; ratified by the President, January 4, 1929; ratified by Czechoslovakia, February 28, 1929; ratifications exchanged at Prague, April 11, 1929; proclaimed, April 12, 1929.

A PROCLAMATION.

Arbitration with Czechoslovakia. Preamble.

WHEREAS an Arbitration Treaty between the United States of America and the Czechoslovak Republic was concluded and signed by their respective Plenipotentiaries at Washington on the sixteenth day of August, one thousand nine hundred and twenty-eight, the original of which Treaty, being in the English and Czechoslovak languages, is word for word as follows:

Contracting Powers.

The President of the United States of America and the President of the Czechoslovak Republic

President Spojených Států Severoamerických a President republiky Československé

Purposes declared.

Determined to prevent so far as in their power lies any interruption in the peaceful relations that have always existed between the two nations;

Desirous of reaffirming their adherence to the policy of submitting to impartial decision all justiciable controversies that may arise between them; and

rozhodnuti, aby zabránili, pokud jest to v jejich moci, každému přerušení pokojných vztahů, jež vždy trvaly mezi oběma národy;

přejíce si opět zdůrazniti svoji příchylnost k politice, aby všechny spory, hodící se k rozsouzení před soudem, jež by mohly vzniknouti mezi nimi, byly předloženy k nestrannému rozhodnutí;

Eager by their example not only to demonstrate their condemnation of war as an instrument of national policy in their mutual relations, but also to hasten the time when the perfection of international arrangements for the pacific settlement of international disputes shall have eliminated forever the possibility of war among any of the Powers of the world;

Ve snaze, aby svým příkladem netoliko projevili své odsouzení války jakožto prostředku státní politiky ve svých vzájemných vztazích, nýbrž i aby urychlili dobu, kdy zdokonalená mezinárodní opatření k mírumilovnému vyřizování mezinárodních sporů vyloučí navždy možnost války mezi kteroukoli ze světových mocností;

Désireux d'affirmer de nouveau leur adhésion à la politique consistant à soumettre à une décision impartiale toutes contestations susceptibles de décisions judiciaires qui viendraient à s'élever entre eux;

Eager by their example not only to demonstrate their condemnation of war as an instrument of national policy in their mutual relations, but also to hasten the time when the perfection of international arrangements for the pacific settlement of international disputes shall have eliminated forever the possibility of war among any of the Powers of the world;

Soucieux, par leur example, non seulement de manifester que, dans leurs relations réciproques, ils condamnent la guerre comme instrument de leur politique nationale, mais encore de hâter le moment où la conclusion d'accords internationaux pour le règlement pacifique des conflits entre les Etats aura écarté pour toujours les possibilités de guerre entre les nations du monde;

Desirous of reaffirming their adherence to the policy of submitting to impartial decision all justiciable controversies that may arise between them; and

Som önsker, ved sitt eksempel, ikke bare å tilkjennegi at de fordömmer krig som middel for den nasjonale politikk i deres innbyrdes samkvem, men også å arbeide for at den tid skal komme da de mellemfolkelige avtaler om fredelig lösning av mellemfolkelige tvister er blitt så fullkomme at de for alltid har fjernet muligheten av krig mellem noen av verdens makter;

Har besluttet å inngå en ny voldgiftstraktat som utvider rekkevidden av og forpliktelsene efter den voldgiftsoverenskomst som blev underskrevet i Washington 4. april 1908 og som utlöp 24. juni 1928, og har i det öiemed opnevnt som sine respektive befullmektigede

Contracting Powers.

The President of the United States of America and His Majesty the King of the Serbs, Croats and Slovenes,

Le Président des Etats-Unis d'Amérique et Sa Majesté le Roi des Serbes, Croates et Slovènes,

Purpose declared.

Determined to prevent so far as in their power lies any interruption in the peaceful relations that have always existed between the two nations;

Desirous of reaffirming their adherence to the policy of submitting to impartial decision all justiciable controversies that may arise between them; and

Résolus à prévenir autant qu'il est en leur pouvoir toute interruption dans les relations pacifiques qui ont toujours existé entre les deux nations;

Désireux d'affirmer de nouveau leur adhésion à la politique consistant à soumettre à une décision impartiale toutes contestations susceptibles de décisions judiciaires qui viendraient à s'élever entre eux;

Eager by their example not only to demonstrate their condemnation of war as an instrument of national policy in their mutual relations, but also to hasten the time when the perfection of international arrangements for the pacific settlement of international disputes shall have eliminated forever the possibility of war among any of the Powers of the world;

Soucieux, par leur exemple, non seulement de manifester que, dans leurs relations réciproques, ils condament la guerre comme instrument de leur politique nationale, mais encore de hâter le moment où la conclusion d'accords internationaux pour le règlement pacifique des conflits entre les Etats aura écarté pour toujours les possibilités de guerre entre les nations du monde;

Have decided to conclude a treaty of arbitration and for that purpose they have appointed as their respective Plenipotentiaries:

Ont décidé de conclure un traité d'arbitrage, et à ces fins ont désigné pour leurs plénipotentiaires respectifs, savoir:

2. Neither Administration is bound to pay indemnity in case of loss or damage due to force majeure under any particular definitions of that term unless both Administrations will assume liability reciprocally under the same definitions of the term, although either country may at its option and without recourse to the other country, pay indemnity for losses, or damages occurring through force majeure under any definition of that term.

2. Aucune des deux Administrations n'est tenue de payer une indemnité dans le cas de perte ou d'avarie due au cas de "force majeure" quelles que soient les définitions particulières de ce terme à moins que les deux Administrations n'assument une responsabilité réciproque sous les mêmes définitions du terme, quoique chaque pays peut à son choix et sans recours contre l'autre pays, payer une indemnité pour perte ou avaries résultant de force majeure quelle que soit la définition de ce terme.

3. In case an insured parcel originating in one country and addressed for delivery in the other country is forwarded or returned from the country of original address to a third country, the rightful claimant shall be entitled to only such indemnity, if any, for any loss, rifling, or damage which occurs subsequent to the redispatch of the parcel in the country of original address, as the country in which the loss, rifling, or damage occurred is willing or obligated to pay under any agreement in force between the countries directly involved in the forwarding or return.

mande de renseignements orale ou écrite ne soit faite par le demandeur ou son représentant dans les limites d'une année commençant le lendemain du jour de dépôt du colis assuré.

5. Aucune compensation ne sera accordée pour la perte, préjudice ou dommage provenant indirectement de la perte, nonremise, avarie, erreur de distribution ou retard d'un colis avec valeur déclarée transmis conformément à cette Convention.

6. Aucune indemnité ne sera payée pour des colis valeur déclarée qui contiennent des marchandises sans valeur intrinsèque ou des matières périssables ou des matières dont la transmission est prohibée dans les dépêches de colis postaux échangées entre les Administrations contractantes ou qui ne seraient pas conformes aux stipulations de cette convention ou qui n'auraient pas été expédiés de la manière prescrite mais le pays responsable de la perte, spoliation ou avarie peut payer une indemnité pour de tels colis sans recours contre l'autre Administration.

7. L'une ou l'autre des Administrations peut à son choix rembourser au réclamant légitime dans le cas de perte complète, avarie irréparable ou spoliation de la totalité du contenu le montant des frais de port ou frais accessoires supportés par un colis valeur déclarée si la demande lui en est faite.

Les droits d'assurance ne sont remboursés en aucun cas.

8. Aucune responsabilité ne sera admise pour les colis valeur déclarée dont il ne pourra être rendu compte par suite de la destruction des documents officiels due à un cas de force majeure.

10. Quand un article assuré a été perdu, spolié ou avarié l'Administration d'origine doit payer l'indemnité au réclamant légitime aussitot que possible et au plus tard dans une période d'un an à partir du lendemain du jour où la demande est faite lequel paiement doit être fait pour le compte de l'Administration de destination si cette dernière est responsable de la perte, spoliation ou avarie et a été dûment avisée.

8. Any liquid or any substance which easily liquefies must be packed in a double receptacle. Between the first receptacle, (bottle, flask, pot, box etc.), and the second (box of metal or of strong wood) shall be left a space which shall be filled with sawdust, bran or some other absorbent material, in sufficient quantity to absorb all the liquid contents in the case of breakage.

Contracting Powers.

The President of the United States of America and His Majesty the King of Rumania

Purpose declared.

Determined to prevent so far as in their power lies any interruption in the peaceful relations that have always existed between the two nations;

Desirous of reaffirming their adherence to the policy of submitting to impartial decision all justiciable controversies that may arise between them; and

Eager by their example not only to demonstrate their condemnation of war as an instrument of national policy in their mutual relations, but also to hasten the time when the perfection of international arrangements for the pacific settlement of international disputes shall have eliminated forever the possibility of war among any of the Powers of the world;

Have decided to conclude a treaty of arbitration and for that purpose they have appointed as their respective Plenipotentiaries

Désireux d'affirmer de nouveau leur adhésion à la politique consistant à soumettre à une décision impartiale toutes contestations susceptibles de décisions judiciaires qui viendraient à s'élever entre eux;

Soucieux, par leur exemple, non seulement de manifester que, dans leurs relations réciproques, ils condamnent la guerre comme instrument de leur politique nationale, mais encore de hâter le moment où la conclusion d'accords internationaux pour le règlement pacifique des conflits entre les Etats aura écarté pour toujours les possibilités de guerre entre les nations du monde;

21. Indennità.

1. Eccetto il caso di perdita o avaria per causa di forza maggiore (caso fortuito), termine la cui interpretazione è regolata dalle decisioni legali del Paese dove la perdita o l'avaria sono avvenute, quando un pacco assicurato è stato perduto, manomesso o avariato, al mittente o ad altri aventi dirritto, spetta una indennità corrispondente all' effettivo valore del danno, basata sul reale valore al tempo e luogo di impostazione del pacco perduto, manomesso o avariato, a meno che la perdita,

rifling, or damage has arisen from the fault or negligence of the sender or the addressee or of the representative of either or from the nature of the article.

Limitation.

The indemnity shall not exceed the sum for which the required insurance fee was paid in the country of origin.

Agreement of, for delivery in country not a party thereto.

In the absence of special agreement to the contrary between the countries involved (which agreement may be made through correspondence) no indemnity will be paid by either country for the loss of transit insured parcels, that is, insured parcels originating in one of the two contracting countries or a third country addressed for delivery in some other country not a party to this Convention.

Loss by force majeure.

2. Neither Administration is bound to pay indemnity in case of loss or damage due to force majeure under any particular definitions of that term unless the other Administration will assume liability reciprocally under the same definitions of the term, although either country may at its option and without recourse to the other country, pay indemnity for losses or damages occurring through force majeure under any definition of that term.

Parcels forwarded to a third country.

3. If an insured parcel originating in one country and addressed to the other country is reforwarded or returned from the country of original address to a third country, the rightful claimant may claim only such indemnity, if any, for the loss, rifling, or damage which occurred subsequent to the redispatch of the parcel from the country of original address, as the country in which the loss, rifling or damage occurred is willing or obligated to pay under any agreement in force between the countries directly involved in the forwarding or return.

Improper handling.

Either country adhering to this Convention which improperly forwards an insured parcel to a third country shall be responsible to the extent of the liability of the country

manomissione o avaria, siano avvenute per errore o negligenza del mittente o del destinatario o dei loro incaricati, o a causa della natura del contenuto.

L'indennità non può eccedere la somma per la quale i diritti di assicurazione furono pagati all'ufficio di origine.

In mancanza di speciali contrari accordi tra i paesi interessati (accordi che possono stabilirsi a mezzo corrispondenza) nessuna indennità è pagata dall'uno o dall'altro Paese per la perdita di pacchi assicurati in transito, cioè pacchi assicurati originari da uno dei due Paesi contraenti o da un terzo Paese, e diretti per la consegna in un altro Paese che non sia una delle parti stipulanti questa convenzione.

2. Nessuna delle due Amministrazioni è tenuta a pagare indennità nei casi di perdita o avaria dovute a "forza maggiore", sotto qualsiasi interpretazione di questo termine, a meno che l'altra Amministrazione voglia in tali casi assumere responsabilità reciproca sebbene ognuna delle due Amministrazioni possa, senza ricorrere all'altra, pagare indennità per perdite, o danni avvenuti in casi di forza maggiore, sotto qualunque interpretazione di detto termine.

3. Se un pacco assicurato originario da un Paese e diretto ad altro Paese è rispedito o rinviato dal Paese di primitiva destinazione ad un terzo Paese, l'avente diritto può pretendere solo l'indennità, se dovuta, per la perdita, manomissione od avaria occorsa posteriormente alla rispedizione del pacco dal Paese di primitiva destinazione, in quanto il Paese nel quale la perdita, la manomissione o l'avaria siasi verificata, accetta ed è obbligato a pagare in forza di accordi fra i Paesi direttamente interessati alla rispedizione o al rinvio.

L'uno o l'altro dei Paesi aderenti a quest'accordo che irregolarmente rispedisse un pacco assicurato ad un terzo Paese, dovrà rispondere della maggiore respon-

try of origin to the sender within the limit of indemnity fixed by the present Convention.

4. No application for indemnity will be entertained unless a claim or an initial inquiry, oral or written shall be filed by claimant or his representative within a year commencing with the day following the posting of the insured parcel.

5. No compensation shall be given for loss, injury or damage consequential upon, i. e., indirectly arising from, the loss, non-delivery, damage, misdelivery or delay of any insured parcel transmitted under this Convention.

6. No indemnity will be paid for insured parcels which contain matter of no intrinsic value nor for perishable matter or matter prohibited transmission in the parcel-post mails exchanged between the contracting Administrations, or which did not conform to the stipulations of this Convention, or which were not posted in the manner prescribed, but the country responsible for the loss, rifling or damage, may pay indemnity in respect of such parcels without recourse to the other Administration.

7. Either of the Administrations may at its option reimburse the rightful claimant in the event of loss, irreparable damage of entire contents or rifling of entire contents for the amount of postage or special charges borne by an insured parcel, if claimed.

The insurance fees are not in any case returned.

8. No responsibility will be admitted for insured parcels which can not be accounted for in consequence of the destruction of official documents through causes beyond control.

9. In case the sender, addressee, or owner of an insured parcel, or his representative, shall, at any time knowingly allege the contents to be above their real value, or whenever any false, fictitious, or fraudulent evidence is knowingly and wilfully introduced, the Administration responsible for the

sabilità del Paese d'origine verso il mittente nei limiti della indennità fissati dal presente accordo.

4. Nessuna domanda d'indennità è accettata senza che vi sia stato reclamo, orale o scritto da parte del reclamante o del suo rappresentante entro un anno dal giorno successivo a quello della impostazione del pacco assicurato. Claim to be filed.

5. Nessun compenso è dato per risarcire perdite o danni derivati direttamente o indirettamente dallo smarrimento, dalla avaria, da mancata o errata consegna, oppure da ritardo, di qualsiasi pacco assicurato trasmesso sotto il regime di questa convenzione. No compensation for indirect loss, etc.

6. Nessuna indennità è pagata per pacchi assicurati che contengano merce di nessun valore, o deperibile o della quale sia vietata l'introduzione a mezzo di pacchi postali scambiati fra le Amministrazioni contraenti, o che non siano conformi agli accordi di questa convenzione, o che non siano impostati nei modi prescritti; però l'Amministrazione responsabile della perdita, manomissione o danno, può pagare l'indennità per tali pacchi senza ricorrere all'altra Amministrazione. Matter not entitled to indemnity.

7. Ogni Amministrazione può a suo giudizio rimborsare al legittimo reclamante, in caso di perdita, danno irreparabile dell'intero contenuto, o manomissione completa, le tasse di francatura e le tasse speciali riscosse per un pacco assicurato, se reclamate. Reimbursement of postage, etc., on loss of parcels.

In nessun caso sono rimborsati diritti di assicurazione.

8. Nessuna responsabilità è ammessa per i pacchi assicurati dei quali non può essere provata l'esistenza, in conseguenza della distruzione dei documenti di ufficio per forza maggiore. No responsibility admitted if official documents destroyed.

9. Nel caso che il mittente, il destinatario o il proprietario di un pacco assicurato, o il suo rappresentante dichiarino scientemente un valore del contenuto superiore a quello reale o nel caso di evidente dolo, falsità o fraudolenza, l'Amministrazione responsabile dell'indennità si riserva il diritto, Reservation in case of false statements, etc.

indemnity reserves the right without any refund of fee or postage, to decline to pay indemnity or to pay such indemnity as may in its discretion be considered equitable in the light of the evidence produced.

The enforcement of this rule shall not prejudice any legal proceedings to which such fraudulent evidence may have rendered the claimant liable.

Administration of origin to pay if country of destination delays one year.

10. When an insured article, has been lost, rifled, or damaged, the Administration of origin shall pay indemnity to the rightful claimant as soon as possible and at the latest within a period of one year counting with the day following that on which the application is made, which payment shall be made on account of the Administration of destination, if that Administration is responsible for the loss, rifling or damage, and has been duly notified.

Deferring payments.

11. However, the Administration of origin may, in the cases indicated in the foregoing paragraph, exceptionally defer payment of indemnity for a longer period than that stipulated if, at the expiration of that period, it has not been able to determine the disposition made of the article in question or the responsibility incurred.

Payment by country of origin if country of destination delays nine months.

12. Except in cases where payment is exceptionally deferred as provided in the foregoing paragraph, the country of origin is authorized to pay indemnity on behalf of the country of destination if that country has, after being duly informed of the application for indemnity, let nine months pass without settling the matter.

Country responsible.

13. The obligation of paying the indemnity shall rest with the country to which the mailing office is subordinate.

That country can make a claim on the country responsible, that is to say, against the Administration on the territory or in the service of which the loss, rifling, or damage took place.

di non rimborsare le tasse o diritti riscossi e di rifiutare il pagamento dell'indennità, o di pagare quella indennità che secondo il suo giudizio discrezionale può essere ritenuta equa in base ai risultati delle indagini.

La sanzione di questa disposizione non pregiudica il procedimento legale di cui la fraudolenta dichiarazione avesse reso passibile il reclamante.

10. Quando un pacco assicurato risulta perduto, manomesso o danneggiato, l'Amministrazione di origine paga l'indennità al legittimo reclamante al più presto possibile e al più tardi entro il periodo di un anno dal giorno seguente a quello in cui è stato presentato il reclamo. Tale pagamento e fatto per conto della Amministrazione di destinazione, se questa sia responsabile della perdita, manomissione o avaria e se sia stata regolarmente avvisata del reclamo.

11. In ogni modo l'Amministrazione di origine può, nei casi indicati nel precedente paragrafo, eccezionalmente differire il pagamento dell'indennità per un periodo più lungo di quello stabilito se, allo scadere di tale periodo essa non sia ancora in grado di stabilire l'esito dell'oggetto reclamato o le responsabilità relative.

12. Eccetto i casi nei quali il pagamento è differito come è disposto nel precedente paragrafo, il Paese di origine è autorizzato a pagare l'indennità per conto del Paese di destinazione, se questo paese, sebbene avvisato regolarmente dell'esistenza del reclamo, abbia lasciato trascorrere un periodo di 9 mesi senza sistemare la vertenza.

13. L'obbligo di pagare l'indennità spetta alla Amministrazione dalla quale dipende l'ufficio di impostazione.

Questa Amministrazione può ricorrere a quella responsabile ossia a quella Amministrazione nel cui territorio o nel cui servizio la perdita, la manomissione o l'avaria ebbero luogo.

14. The country responsible for the loss, rifling or damage and on whose account payment is made is bound to repay to the country making payment on its behalf, without delay and within not more than nine months after receiving notice of payment, the amount of indemnity paid.

14. L'Amministrazione responsabile della perdita, manomissione o avaria, e per conto della quale è stato fatto il pagamento è tenuta a rimborsare l'Amministrazione che effettuò il pagamento, senza ritardo, non oltre nove mesi dopo aver ricevuto notizie dell'avvenuto pagamento da parte dell'altra Amministrazione, e dello ammontare della indennità.

Repayment to country which pays.

15. Reimbursements for indemnity from one country to the other shall be made on the gold basis.

15. Il rimborso della indennità dell'una all'altra Amministrazione deve essere fatto sulla base oro.

Payments on gold basis.

16. Repayments are to be made free of cost to the creditor country by means of either a money order or a draft, in money valid in the creditor country, or by such other means as may be mutually agreed upon by correspondence.

16. I rimborsi sono fatti senza spese per il paese creditore, a mezzo o di vaglia o di tratta, in moneta corrente nel paese creditore, o con altri mezzi che potranno scambievolmente stabilirsi mediante accordi per corrispondenza.

17. Until the contrary is proved, responsibility for an insured parcel rests with the country which having received the parcel without making any observation and being furnished all necessary particulars for inquiry is unable to show its proper disposition.

17. Fino a prova contraria la responsabilità per un pacco assicurato fa carico a quell'Amministrazione che, avendo ricevuto il pacco senza fare alcuna osservazione ed essendo stata fornita di tutte le notizie necessarie per le indagini, non sia in grado di stabilirne la sorte.

18. Responsibility for loss, rifling, or damage of an insured parcel discovered by the receiving office of exchange at the time of opening the receptacles and duly notified to the dispatching office of exchange by bulletin of verification, shall fall upon the Administration to which the dispatching office of exchange is subordinate unless it be proved that the loss, rifling, or damage occurred in the service of the receiving Administration.

18. La responsabilità per la mancanza, manomissione od avaria di un pacco assicurato, riscontrata dall'ufficio di cambio ricevente al momento della apertura dei recipienti, e regolarmente partecipata all'ufficio di cambio speditore con bollettino di verificazione, fa carico all'Amministrazione, dalla quale dipende l'ufficio di cambio speditore, a meno che non sia provato che la perdita, manomissione o avaria, sia avvenuta nel servizio dell'Amministrazione destinataria.

Dispatching office responsible if loss discovered by receiving office.

19. The responsibility of properly enclosing, packing and sealing insured parcels rests upon the sender, and the postal service of neither country will assume liability for loss, rifling, or damage arising from defects which may not be observed at the time of posting.

19. La responsabilità circa la regolare inclusione del contenuto, l'imballaggio e la chiusura dei pacchi assicurati fa carico al mittente, e le due Amministrazioni non assumono responsabilità per la perdita, manomissione o avaria che possa derivare da difetti non potuti riscontrare all'atto della spedizione.
